There you are, Snowy. You see what comes of your dirty habit of exploring rubbish bins... I don't go scavenging, do I?
You've been lucky! You could have cut yourself. Look how jagged the edges are.

Hi! Hello there, Tintin!

Waiter, bring another drink! Yes, sir.

My dear Tintin, how nice to see you again!

To be precise: how nice to see you again, my dear Tintin!

Here you are, sir.

Your health! And yours!

My dear old friends, how nice to see you again!
Well, now, what's going on?

Everything's fine: we've just been entrusted with a very important case.

Oh?...

To be precise: a very... er... important case.

Oh?...

Look... Have you read this?

"Watch out for counterfeit coins!"... Yes, I saw it.

Well, we two have been instructed to clear this thing up.

Oh?... Jolly good!... I say, is it easy to spot one of these fakes?

Oh, you know how it is. People like ourselves who have examined them can tell one in a flash, of course...

Waiter!... How much?

Forty-five pence, sir.

Here's fifty pence!... But most people are easily fooled by them.

I'm sorry, sir...

Good gracious, someone's slipped me a dud fifty-pence piece!

There!

Thank you.

If you've nothing better to do, come along with us. We'll show you the papers we've already collected in our investigations.

Thanks.

Where did you put those papers?

But you put them away yourself!
What's that? That... It all came from Police Headquarters. They are things taken from a body found in the sea. Did you notice? He had five coins on him, all duds... Odd, don't you think?

Very odd!... May I...?

I'll be back in a minute!

I'm going after him!

What's bitten him!

Good gracious! I've forgotten my stick!

Good gracious! He's forgotten his stick!
There he is! We've caught him up.

What on earth's the matter?

Well, the scrap of paper among those things found on the drowned man comes from the label off a tin?

...and I was holding the very tin from which it was torn, just before I met you! Here we are. I threw it into that dustbin... that one where the tramp is rummaging.

Tintin!... Aren't you ashamed of yourself? Rummaging in dustbins like a common mongrel off the streets!

One moment, please...

It's gone!... Yet I'm sure I threw it there. A tin of crab, I remember quite clearly.

Open your sack!

No, it's not here...

That's odd; in fact, it's fishy.

To be precise, it's fishy...

What's all the fuss about? Those chaps are absolutely daft! They are looking for an empty tin! A crab tin...

A crab tin! Are they indeed!
Aha! that's interesting! There's something written here in pencil, almost obliterated by the water...

I must look at this through a magnifying glass.

Now, let's have a good look at this bit of paper...

Gnawing a bone again? Where did this one come from?...

Can't you ever do as you're told?

There!... And mind you don't do it again!

Did I leave it in my study?...
Crumbs! That made me jump... And it was only the wind slamming the door!

But now I think of it, that bit of paper...

...must have been blown away when I went into my study the first time to get my magnifying glass!

That's the answer. There it is!

Now let's have a look...

Have I gone crazy? I'm positive I put my magnifying glass down here a moment ago!

I'll go over all this in pencil. There's 'K...' and an 'A'... and that's an 'R'... or an 'I'... there, I'll soon have it...

Karaboudjan
KARABOUDJAN... that's an Armenian name. Karaboudjan.

An Armenian name. So... now what?... That doesn't help me much!

What's going on?...

It was a Japanese or a Chinese gentleman with a letter for you, Mr. Tintin. But just as he was going to give it to me a car came by, and stopped...

That was my landlady's voice. I must go and see what's happened.

...outside the door. Three men got out; they attacked the Chinese gentleman and knocked him down!... Of course I shouted: 'Help! Help!' but one of the gangsters threatened me with a huge revolver, as big as that! Then they threw the Japanese gentleman into their car and drove off... with the letter addressed to you...

A tin + a drowned man + five counterfeit coins + Karaboudjan + a Japanese letter = a kidnapping = a real Chinese puzzle

The next morning... RRRING RRRING"..." RRRING RRRING... Hello?... Yes... Oh, it's you!... What's the news?... What?... Yes, the drowned man has been identified: the one who had the mysterious bit of paper and the five dud coins. His name was Herbert Dawes: he was a sailor from the merchant-ship KARABOUDJAN!

The merchant-ship KARA-

BODJAN! Did you say KARA-

BODJAN?...
To the docks, Snowy... as quick as we can!

What a lot of seagulls!

Confound it!... Missed him!

Well, Snowy my lad, if I hadn't happened to be watching the seagulls we'd have been flattened...
We're sailing... For an unknown destination. But it's no good rotting away down here. Snowy, bite through these ropes and we'll take the first chance we get to say goodbye to these pirates!

Here's a coded radio message just in from the Boss. Read it...

'Send T to the bottom'

And I've just sent Pedro down with some food for him!... Oh well! I'll take a rope and a lump of lead, and that'll soon fix him.

It's very kind of you to bring me that, but how am I going to eat with my hands tied behind my back?

You're right, I'll have to loosen them a bit. But mind you, no tricks...

...make one false move... you get me?

...he asked me to free his hands so he could eat, but as soon as I bent down he hit me a terrific crack...

...and that's nothing to what the mate will do to you!
Idiot! Nitwit! Now we'll have to find him, you fool!
...and now he's got a gun.
I hope these are cases of food. Then we can withstand a siege behind our barricade! Anyway...
Let's see...

Great snakes! Tins of crab!
No doubt about it, these are the same as the tin we tried to find!
We'll sort that out later. Let's go on checking our stores.
Champagne too! Snowy my boy, our supplies are taken care of!
And how!

Let me offer you a drink, Snowy...
Ssh...
Quiet... They're looking for us! They mustn't find us...
BANG

It's no good trying to open that door. He'll have barricaded himself in. We'll starve him out; he's nothing to eat...
...that's what you think, gentlemen!
!?
Opium!...

So we've managed to get ourselves mixed up with drug-runners!

This certainly changes everything! They were quite right: we've nothing to eat!

Who cares? We've plenty to drink!

Let's see if we can't get out somehow.

No, we can't reach the port-hole above; it's too far...

Unless... yes, I've got an idea...

Meanwhile...

Mister Mate, the captain wants you...

The captain?... What does he want, the old drunkard?

Yes, I sent f-f-for you, Mister Mate; it's wicked! I'm... it's wicked!... I'm being allowed to die of thirst!... I haven't a d-d-drop of whisky!

That's quite intolerable, Captain. I'll have some sent in at once.

At any rate, you-you-you are my friend, Mr. Allan. You're the only one who... one who... who...

Of course, of course, you know I wouldn't deprive you of whisky for anything in the world...

For then I'll be the boss on this ship and do just as I like!

That night...

Now it's dark I'll try out my plan.
No one there! But what...

Let's have another shot.

...perhaps it's the whisky...

Ssh!... Not a sound!

Who-who-who are you?

Opium!... But h-h-how?... It's frightful! I'm an hon-... an honest man... and not... but who...? It must be Allan, the first mate, who has... no... he's double-crossing me...

Vile tub... I d-d-do you know I'm Captain Haddock! And I can have you y-y-you clapped in irons!

0-0 opium? There's opium in the hold?... in my hold... m-m-mine?

Someone forced to sail in this vile tub and...

Thanks! I've just got out of them! I've spent enough time in your hold with its cargo of opium!

Didn't you know?
Listen, you must help me. And you must promise to stop drinking. Think of your reputation, Captain! What would your old mother say if she saw you in such a state?

M-m-my old mother?

Boo... hoo... Boo... hoo... Boo... hoo.

There, there, Captain!

Mummy! Mummy!

Let's go and see. Perhaps he's gone crazy...

Too late! I'm trapped...

What's going on here?...

I'm a miserable wretch...

Here, drink this. You'll feel better...

Mummy... Boo... hoo... hoo...

N-no... I... I promised him not to drink... and I won't any more!

Who did you promise that to?...

To the young man who... who who who was here...

What young man? Answer me!

By thunder! I don't know... I've never seen him before.

The little devil! So he managed to get in here! Luckily that drunken bawling scared him off. But he may try to come back...
Jumbo, stay and watch this port-hole. If anyone tries to climb in here, get him. Understand? Here's a gun...

Right.

We must settle his hash! We'll blow in the door of the hold where he's hiding!

That's it!... Take cover...

That must have knocked him out... Or else he's shamming...

The swine! 

BANG

BANG BANG

A champagne cork!

In that case...

BANG
Mister Mate, the wireless operator! I just found him, bound and gagged!

It's a rum thing, Mister Mate! The longboat has vanished!

Dawn at last. We're safe for the moment: the KARBOUDIAN has disappeared over the horizon.

But we're not out of trouble yet! We must be sixty miles from the Spanish coast. We must save our energy. You sleep for a bit. Then I'll have a rest while you take a turn at the oars.

O.K.
Heavens, I'm thirsty! ... And cold!...

I remember, there's a keg of fresh water here, and biscuits...

...and some rum!

But I swore never to drink again, and I'll keep my word!

Maybe if I only had a little drop...

Just to warm myself up?

Aaaah!... the stuff keeps the stuff to cool out!

Now, just one more sip...

And I'll throw it away...

Hello, it's empty already!

Poor! He's asleep! Little chap fast!

But he must be F-F-Frightfully c-c-cold, too...

Aha! I've got an idea...

[Image of a man in a boat, holding a bottle of rum that explodes and sets the boat on fire]
Our cars! Hey!... You're burning our cars! Have you gone mad?...

Ah! here's a bucket!

If... if you p-p-put that cut-y-you'll have to settle with m-m-me, you miserable whipper-snapper...

Let go of that bucket, you meddlesome cabin-boy!

What have I done? Oh, Columbus... What have I done!

You've got us into a fine mess

I'm sorry... I'm sorry... I'm a miserable wretch... I drank the rum from the locker... I'm sorry!...

Ssh!

A seaplane!... We're saved!

It's got Moroccan markings: C.N.
Brats!... Swine... Cowards!

Look out! He's coming back!

RAT TAT TAT TAT

Hooray!... Splendid!... Bang in the middle!

PFTT PFTT PFTT

Well, at least I hit him!

The engine's stopped...

Look, they're getting out.
Just our luck! A single bullet, and it has to go and cut the main ignition lead! But it won't take long to mend.
You do it. I'll keep an eye on them...

Look, they're both on the same side. I'll dive: swim underwater as far as I can, beyond them, and when I come up I should be out of their sight, and near the plane.
You can't possibly...

Getting on? Yes, it's nearly done.

Finished? That's it! I'll just fix the last bolt.

Hands up!
Get back... and no tricks! I'm a good shot!

He's done it!... What a boy!

Good. Try and find some rope to tie up these two toughs.

Tie them up? Why?... Let's just pitch them into the sea! They didn't worry about shooting us up, the gangsters!

I know, but we aren't gangsters!... Come on, Captain, tie them up and let's get going.

Now then: who hired you two for this shady business?

So! I see why you pretended to be so big-hearted! You wanted to pump us! Well, we aren't talking!

As you like. But perhaps you'll find your tongues when the police get their hands on you.

Hey, can you fly an aeroplane?...

You're sure this is the right direction for Spain?...

Er... yee... but it remains to be seen if we'll get there. We're in for a rough time.

Oh, Columbus, this is Prightful!... We'll never come through alive!
Oho, a bottle! Now if only it were whisky...
And it is whisky!
Since we've got to die, I may as well have one last bottle...
Hey, it looks fun doing that... L-let me have a go!
B-but I want to...
This is hardly the moment...
Leave that alone!
Whew, what luck... I just managed to right her...
Quick, look behind you!
N-now then you whippersnapper! I don't care for your tricks!
W-will you let me take over? yes or no? One... two... three... Leave me alone!
Then take that, you pig-headed...
Great snakes! What happened?

Help!... We're going to crash...

That was a near thing!

Good heavens!... The two prisoners?... They're still in the plane...
Stop!... You're crazy!

Poor Tintin!... He's finished...

Here... take this one!... I'll get the other...

Well, here we are!... Do you really think this looks like Spain?

Er... I... anyway it should be...

Woah! Woah! Woah!

What a bone!... Where on earth did you find it?

Come and see!... There are lots more...

See?... Bones for everybody...
A camel!

Unfortunately we aren't in Spain! We're in the middle of the Sahara Desert!

...died of thirst, of course!

A camel?... But there aren't any camels in Spain...

In the middle of the Sahara!... then that animal... that animal... that animal died of...

What's the matter? Feeling faint?

The land of thirst...

Courage, Captain, courage! We aren't finished yet.

The land of thirst...

The prisoners have gone!

I see! Their ropes were almost burnt through; it didn't take much to break them.

Look over there... they're too far away now for us to catch them up. Never mind...

The land of thirst...

Come on, Captain! Perhaps we shall be lucky and come across a well!

The land of thirst...
A drink! A drink!

There, lie down for a while; it'll do you good.

Tintin... where are you?

Courage, Captain! We'll rest a bit in the shadow of the sand-dune.

Just an empty horizon... Nothing but endless desert...

A drink!

I wonder how we can get out of this.

A bottle of champagne! I'll open it!

This confounded cork. It won't come out... You brute! Take that!

Golly, what have I done...
We don't want any more of that, please! I'm not a bottle of champagne, so get that into your head!

A drink!

Look! A lake! Water! Water!

Stop! Stop! It's a mirage!

Water! Water!

Thanks all the same, Snowy...

I did my best.
Some hours later...

Didn't I tell you it was a mirage? There isn't a lake. But I saw it...

Aha!... There's a bottle of wine!

Where can he see a bottle?

I'll uncork it...

Where?
I hear you call help?

Whew! What a ghastly nightmare!

Where am I? What happened?

You come with me to Lieutenant.

He come, sir... the young boy.

Ah! there you are. Come in! I'm glad to see you on your feet again.

I'm Lieutenant Delcourt, in command of the outpost of Afshar.

How do you do, Lieutenant. My name is Tintin. But how...

...how did you get here?... At about midday yesterday my men noticed a column of smoke on the southern horizon. I immediately thought it might be an aeroplane and sent out a patrol. They saw your tracks, found you unconscious, and brought you in.

Oh! Did they find my friend too?

Here he is!... Come in, come in. Ahmed, bring three glasses and some drinks...

So the smoke was from a plane, then?

Yes, we came down with quite a bump. The machine turned over and caught fire...

No thank you. I never drink spirits.

Er... er... no thank you, Lieutenant. I don't either, I... I never touch spirits...

You don't either?... Well, I won't press you.

Anyway, you saved our lives all right. Lieutenant. Without you and your camel patrol we should have died of thirst.

That's why you ought to have a drink with me!... but never mind about that. I'd rather you told me what brings you to this forsaken land.
... and here is the latest news. Yesterday's severe gales caused a number of losses to shipping. The steamship TANGANYIKA sank near Vigo, but her crew were all taken off. The merchant vessel JUPITER has been driven ashore, but her crew are safe. An S.O.S. was also picked up from the merchant-ship...

KARABOUJIAN. Another vessel, the BENARES, went at once to the aid of the KARABOUJIAN and searched all night near the position given in the distress signal. No wreckage and no survivors were found. It must therefore be presumed that the KARABOUJIAN went down with all hands...

That's odd, don't you think?
I should say so! The KARABOUJIAN isn't a cockleshell, to sink without time to launch the boats. It's unbelievable!

That's what I think... Lieutenant, is there any way we could leave today? I'm anxious to get to the coast as soon as possible. I'll tell you why.

So soon?... Yes, it can be done. It should be enough if I send two guides with you. That area has been quite safe for a couple of months now.

Allah protect them!

Next morning...

A wireless message has just come in, sir...

Thank you.

Most urgent to 10.26 a.m. Twenty Arab mules reported near Timmin proceeding to Wells of Kefkhir. Stop. Dispatch patrol.

By Jupiter!... The Wells of Kefkhir lie on the route Tintin and his friend are taking!
Ahmed, send my section leaders here at once. And by the way, what did you do with the bottles which were here yesterday?

I not know, sir. I not touch bottles, sir.

Now I'll just have a good swig of this: nobody's watching me.

See... Kefheir...

Your very good health, my friends!

CRACK

BANG

BANG
The Berbers!

Quick! Behind the sand dune... Dismount!

And the lieutenant said this was a safe area!

Yak! The scoundrels!

They'll pay for this...

They'll pay for this...

BANG

BANG

BANG

BANG

BANG

BANG

Now, let them come... I'm ready for them!

Crumbs! One of them has picked me for a target.

Aha! I've spotted him... Just you wait, my friend... I'll show you a thing or two!

By the board of the Prophet... I will get you this time!!

BANG
Not bad shooting, eh?...

BANG

So! I've managed to crawl behind them without being seen...

BANG

BANG

Now for the boy: he is the best shot...

BANG

BANG

BANG

WHIZZ.... CRACK

BANG

REVENGE!

REVENGE!

REVENGE!

REVENGE!

Swine! Jellyfish! Tramps! Trog-loydies! Toffe-noses!

Captain! Stop, Captain! You'll get yourself killed!

Savages! Aztecs! Toads! Carpet-sellers! Ikonoclasts!
Some sent must watch over drunkards!... It's a miracle he hasn’t been hit... Rats!... Ectoplasms!... Freshwater swabs!... Cannibals!... Bashi-bazouks!... Caterpillars!... Cowards!... Baboons!... Parasites!... Pockmarks!... Great snakes!... He's got them on the run!... and if you come back you'll feel my rifle-butt!...

Well done, Captain!... Wonderful!... If those savages had just waited, I'd have shown them!... But they ran like rabbits... except one who sneaked up on me from behind, the pirate...

Charge!... After them!... Take them prisoner!... Then... then... it wasn't me who got rid of those savages... it was the Lieutenant...?... It's the Lieutenant!...
We turned up at the right moment, didn't we...?  

In the nick of time, Lieutenant. But what made you come here?

That's soon explained. This morning I received a radio warning of raiders near Kefhmir. We jumped into the saddle right away... and here we are!...

And now, as soon as my men return with their prisoners, we'll all ride north together, to prevent further incidents like this.

After several days' journey, Tintin and the Captain come to Bagghar, a large Moroccon port...

First we'll go to the harbour-master. Perhaps he can give us news of the KARABOULIAN.

Good idea...

Tintin!... Tintin!... Where are you going?
Out of my way, you!

Move along there!

Move along!

Bunch of savages! Now I've lost Tintin. What's got into him, I wonder?

Careful! I mustn't lose sight of him.

Now what? He must have gone into one of these houses, but which one? I can't risk being recognised while I wait for him. Never mind: I'll come back.

How shall I ever find Tintin?
The first thing is to find the Captain. I hope he's had the sense to go straight to the harbour-master's office and wait for me there.

And now—now for the h-h-harbour-master!... H-h-how much, boy? Five francs.

What's up this time?

I... I... it's disgraceful! My wallet's been stolen! I'll sue the buggers!... R-r-robbers!... Mmmm my wallet!

It's dis-graceful!... A city of pickpockets... I want my wallet!... Here's your wallet!... Stop all that row! It had fallen out of your pocket. And don't reuse the whole neighbourhood another time!

Now go home! If you make any more trouble, we'll run you in. Understand?

O.K., a-d-admiral!

Yo-ho J and J up! she rises!

I tell you it's the KARABOU-BOU-BOUJAN. Blistering barnacles! I am... I am her captain!... It's not the DIEBEL—what's it?... You must arrest the lot of them!

But I tell you that is the K-K-KARABOUJAN!... and she's full of opium!... Come along! That's enough!
The captain... I must warn the mate at once!

Hello... yes, it's me...

What... Are you crazy? You've seen the captain!

Are you sure? He recognised the ship, confound it!... He's been arrested! O.K., I'll come.

Meanwhile...

It's funny, he's not come yet. I certainly told him we'd go straight to the harbour-master.

Next morning...

Hello... Port Control here. Oh, it's you Mr. Tintin... Captain Haddock?... No, we haven't seen him yet.

This is getting me worried. Something must have happened to him. I'd better go to the police.

Captain Haddock?... We've just let him go; he's been gone about five minutes. He was brought in last night for causing a disturbance. When he left he said he was going to the harbour-master's office and he had some very important news for you. If you hurry you'll soon catch him up.

Important news?... What can that be?

There he is!

The KARA BOUDJAN, here!

... That will surprise Tintin when I tell him.

Oh! my shoelace has come undone.

HELP!

They've got the Captain!

CRASH
This wretched door won't open!

The noise of an engine! They must have a car!

Too late!

Another car! I'll grab it: I must save the Captain at all costs!

That's got her started! Off we go, full speed ahead!

What's up? Why are we going backwards?

Stop! The car's horn must have got stuck.
My old friends Thomson and Thompson

Thank goodness! You're safe and sound. We despaired of ever finding you alive!

I think it's extraordinary, he recognised us at once, in spite of our disguise!

Now tell us: what happened on the KARABOUDJAN? We were amazed when they handed us your wireless signal. Have been imprisoned aboard KARABOUDJAN. Am leaving vessel. Cargo includes opium TINTIN. We took the first plane for Bagh-
har...

...the KARABOUDJAN's next port of call. Then we heard about the ship-wreck. Are you certain she was carrying opium?

Quite certain; the drug was hidden in tins bearing a label with a red crab on it, and the words 'EXTRA FINE CRAB'.

Tins of crab?...That reminds me...

I saw one in the shop where we bought our burnouses just now.

Did you? Quick, let's go and see.

S-sold out?

It's gone!

What have you done with the tin of crab that was on the table?

It's here, sidi. I put tin here in the cupboard.

That's the one! I recognise the label: it's the same.

Open that tin!

Yes, it's crab all right... And yet I saw the same tins aboard the KARABOUDJAN, and they contained opium.

Hmm!... Very odd.

Tell me: where did you buy this tin?

From Mohammed Ben Ali, sidi; the shop on the corner.

Of course, sidi, there is crab. Good crab, sidi, best quality...

Look!

Yes, it's crab. Good crab, sidi, best quality...

Tell me: where did you buy this tin?

From Mohammed Ben Ali, sidi; the shop on the corner.
Now For Mohammed ben Ali.

Hi! Any body there?

CRASH BANG

THOMSON! THOMSON! Where are you?

All right?

Mind your hat!

Nothing broken?

Look out, there’s a step.

To be precise: no one about...

These are the same tins, all right.

Good gracious! Something’s happened to him...

Hi! Any body there?

Yes, all’s well.
What are you doing here?

Oh! Are you the owner of this shop?

I would like the name and address of the supplier who sold you the tins of crab you have in your shop.

The tins of crab? They came from Omar Ben Salaad, sidi, the biggest trader in Baghdad. He is very rich, sidi, very very rich... He has a magnificent palace, with many horses and cars; he has great estates in the south; he even has a flying machine, sidi, which some people call an aeroplane...

Indeed... Thank you very much.

Will you help me, and make discreet inquiries about this Omar Ben Salaad?... Among other things, try and find out the registration number of his private plane. But you must be discreet, very discreet.

My friend, you can count on us. We are the soul of discretion. 'Mum's the word', that's our motto.

Yes, that's our motto: 'Dumb's the word'...

Now to rescue the Captain. First I must get the right clothes...

Hello Mister Mate?... This is Tom... Yes, we got the captain. He made a bit of a row but the wharves were deserted and no one heard us... What? You'll be along in an hour?... OK.

Does Mr. Omar Ben Salaad live here?... We'd like a word with him.

My master has just gone out, sidi. See, there he is on his donkey...

So that's him.

Make way! Make way for the mighty Omar Ben Salaad! Let's follow him.
He's gone in there. Shall we follow?

Of course we follow...

Visitors to the mosque are asked to remove their shoes.

One hour later...

How did that happen?... These confounded paving stones! I tripped over.

Whew!... What a narrow escape!

I must risk everything and follow him. If I'm questioned, I've come to beg alms.
What do you want here?

Alms, for the love of Allah, the Prophet will reward you...

Out you go, verminous beggar! Crawling worm! Begone, son of a mangy dog!

How very polite!

Whew!... This is going to be harder than I thought. What next? But where's Snowy, I wonder?

By the beard of the Prophet!... Thief!

Come back, you robber! Give me my joint!

A whole joint!... Vile dog! If ever I see it again...

Tell me, is Sidi Allan here?...

Crumbs! He's back already!

Yes, Abd El Drachm, he has just come.

Quick!... I must hide in the cellar.

Good, I'll go to him. Farewell.

Heavens! He's coming down here!
Where's he gone!... He can't have vanished into thin air!...

No secret passage, and no trap-door; the walls and floor sound absolutely solid. It must be magic.

WOOAH!

Snowy!... You frightened the life out of me!

You rascal, now I see. You hid in the ventilator shaft to eat that joint!

As for me, Snowy, I'm like old Diogenes, seeking a man! You've never heard of Diogenes! He was a philosopher in ancient Greece, and he lived in a barrel...

Lived in a barrel!... In a barrel, Snowy!... Great snakes! I think I've got it!

Let's see if this barrel will open...

And it does! There are hinges here!

Look Snowy... Away out!

And a door the other end! We're certainly on the right track, Snowy...
BANDITS!

That's the Captain's voice!

BRUTES!

Yell as loud as you like; no one can hear you. Now why not be sensible? For the last time: where is Tintin?

HERE!

Give me your hand, Tintin... Give me your hand!

Hands up... No one move! You there, untie the Captain...
My automatic!

Too late!

This way! Quick!

What have I done... Oh Columbus!

It's no good mourning. What's done is done. The thing now is to get away...

In here... they're shooting at us.

Trapped!

We've got them! This is the only exit!

Hooray! That's got them beating a retreat...
What's happening!... My head's reeling...

I'm the king of the Castle.

Ta-ra-oom-de-ay d d

For tonight we'll merry be, For tonight we'll merry be...

Yes, they're drunk; the fumes from the wine, I suppose. Now we can just go in and get them.

Ta-ra-oom... We'll take this one. You bring the other.

Tiddley-om-pom... p

I'm the king of the castle.

That's enough! Let go of that bottle!... You bully! My bottle!... Treason!... Revenge!... Twister!... Heretic!... Slave-trader!... Technocrat!

Buccaneer! Vegetarian! Politician!... If he makes trouble I'll soon settle his hash!
Pirate! ... Corsair!
Quiet, you drunken old fool! ...

Meanwhile...
See, the great Omar Ben Salaad has returned from the mosque.

Shall we go and ask him a few questions?
Good idea!

Master, two strangers are here and would speak with you. They say they are making some inquiries.
Good. Show them in. I will see them.

Mr. Omar, we have been asked to carry out an investigation...
A discreet investigation, of course...

A young friend of ours, called Tintin, suspects that you are concerned in drug-running.
Are you, Mr. Salad?

By the beard of the Prophet!... Who dares suspect Omar Ben Salaad?... Get out, infidel dogs! Get out, or I'll have you flogged to death!
So, you are Tintin! Well, this time my young friend your last hour has come!...

Careful now, careful! It's dangerous to play with firearms...

Who is this man? Omar Ben Salaad! We have just questioned him, and he assured us he is absolutely innocent...

Him, innocent?... I've just found tins of opium in his cellar... And look...

Look at this! Two crab's claws, made of gold. He's the ringleader. I'm certain. Quick, telephone the police!

Hello, hello, police? This is Thompson and Thompson, certified detectives. After a long and dangerous investigation we have succeeded in unmasking a gang of opium smugglers... Yes, exactly... and their leader is a man by name of Ben Salaad. We have him at your disposal...

What did you say?... Omar Ben Salaad?... Are you pulling my leg? Omar Ben Salaad, the most respected man in all Baghath, and you've...

...caught him, yes!... And if that's not the truth may the heavens fall! Quite right!
Omar Ben Salaad an opium smuggler! Well, that beats everything! But what's going on now? Swine! Vampire!

It's him again! Hooray! The police!

Arrest that Negro! He's a gangster, a p-p-pirate... He, he, he... He beat me up with a stick...

It's not a stick you need, it's a truncheon!

At last, the police!... Gentlemen, this is the man we have brought to justice.

To be precise... this is the man!

Some of your men come with me; there are more of them in the cellar!

The mate has escaped: and he's the most dangerous of the lot...

He must have gone out the other way!... If some of your men take care of the gangsters still in the cellar, we'll go after the mate.

We'll go down to the harbour. He's a sailor, so he'll probably make for there...
Police! Police!

Someone's stolen one of the motorboats I look after! A man jumped aboard and he was gone in a flash!

There he is! It's him! Quick, another boat!

Hey, she won't go! The painter! You've forgotten to slip the painter!

Of course, we've forgotten the painter!

Wait: I've got a knife. It's quicker!

All right? That's it!

We're overhauling him! Our boat is faster than his!

By thunder! They're after me!
Confound it! The engine's stalled! Crumbs! Where are Thomson and Thompson?

Something's fouled the propeller.

A fishing net! Fine! Off we go again...

Devil take him! He's on my tail again!...

Take that!...

...and that!...

...and that!...

The boat's lurching wildly! What a fight! Ah! one of them's getting up...

Who?...

It's Tintin! He's got the best of it! He's swinging round, and coming back!

Quick! Give me that telescope!

?!
Hooray! He’s got the mate!... So that’s the lot from the KARABOUDJAN!

Steady on, Sergeant!... None of that!... Thanks to Captain Haddeck we’ve arrested the DJESEL AMILAH, which is none other than the camouflaged KARABOUDJAN, and rounded up the crew...

Quickly! There’s someone waiting for you up there.

Heartiest congratulations, Mr. Tintin!

Who is this chap?

Allow me to introduce myself: Bunji Kuraki of the Yokohama police force. The police have just freed me from the hold of the KARABOUDJAN where I was imprisoned. I was kidnapped just as I was bringing you a letter...

Oh! So it was you...

Yes, I wanted to warn you of the risk you were running. I was on the track of this powerful, well-organised gang which operates even in the Far East. One night I met a sailor called Herbert Dawes...

... who was one of my crew...

... and later was drowned...

That’s it. He was drunk, and boasted that he could get me some opium. To prove it he showed me an empty tin, which he said, had contained the drug. I asked him to bring me a full tin the next day. But next day he did not come in and I was kidnapped...

And they must have done away with him; but why was a bit of a label found on him with the word KARABOUDJAN in pencil?

Well, I asked him the name of his ship. He was so drunk I couldn’t hear what he mumbled. So he wrote it on a scrap of the label, but then he put the paper in his own pocket...

Some days later...

... and it is thanks to the young reporter, Tintin, that the entire organisation of the Crab with the Golden Claw, so today find themselves behind bars.

This is the Home Service. You are about to hear a talk given by Mr. Haddeck, himself a sea-captain, on the subject of...

... drink, the sailor’s worst enemy.
Good-morning, Mr. Tintin... Your letters... and a parcel...

What's in this parcel?

I don't trust this!... It might be a bomb! Those gangsters are capable of anything...

Why not open it?

Now, let's listen to the Captain...

...for the sailor's worst enemy is not the raging storm; it is not the foaming wave...

...which pounds upon the bridge, sweeping all before it; it is not the treacherous reef lurking beneath the sea, ready to rend the keel asunder; the sailor's worst enemy is drink!

Phew!... How hot these studios are!

This is the Home Service. We must apologise to our listeners for this break in transmission, but Captain Haddock has been taken ill...

Hello, Broadcasting House? This is Tintin. Have you any news of Captain Haddock? I hope it's nothing serious...

No, nothing serious. The Captain is much better already.
